Item Barcodes for the Store

A simple barcode scanner is all that is needed to scan barcodes. This can be purchased at any office supply store or online (listed as "USB automatic barcode scanner").

You will also need to print a list of barcodes to use as a reference when completing sales. You can scan directly from this printed list.

Follow the steps below to start scanning barcodes.

⊙ Obtain a Barcode Scanner

⊙ Print a List of Barcodes

⊙ Create Customized Barcodes (Optional)
