

# Express Payroll

Last Modified on 11/03/2020 12:29 am EST

Jackrabbit recommends **Express Payroll** for your payroll needs.

- ★ Export from Jackrabbit directly in to the Express Payroll payroll system, quick and easy.
  - ★ Customize unlimited pay rates in Express Payroll, supporting the use of Departments in Jackrabbit.
  - ★ Update employee information efficiently using Staff Details export.
- 

If you know you will be using *Express Payroll*, please make sure you follow the Express Payroll set-up instructions in the [Export Settings](#) topic.

For more information, see the *Express Payroll* website at [www.express-payroll.com](http://www.express-payroll.com).
