

Spot TV - Offer Online Streaming to your Families!

Last Modified on 11/03/2020 12:30 am EST

What is Spot TV?

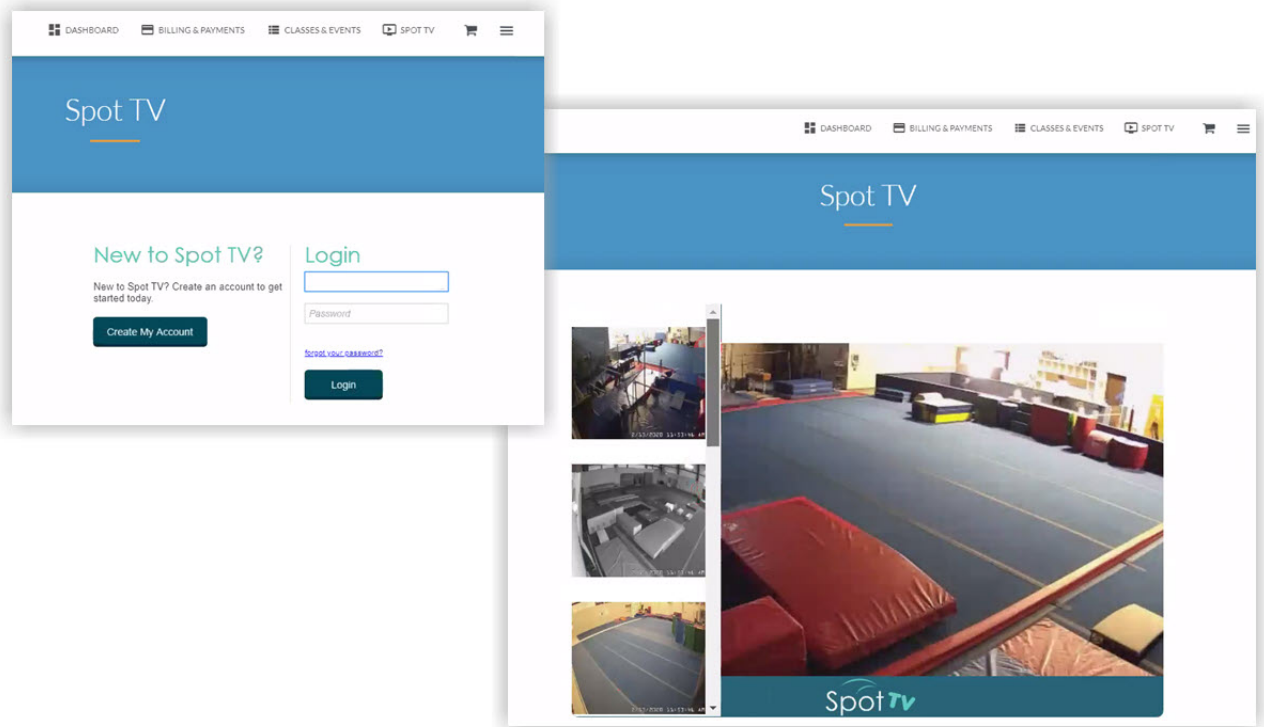

Spot TV is the Industry's leading online streaming and video management program uniquely designed for youth gymnastics, sports, and arts centers.

- ★ Keep your families connected and involved without the need for extra space in your facility
- ★ Create a new revenue stream for your organization
- ★ Manage parent access via an online administrative dashboard

Jackrabbit's **Parent Portal** is all about parent engagement and the user experience. To take this to the next level, we've added integration with Spot TV.

Parents can now manage their accounts *AND* view their loved ones with Spot TV... all through their Parent Portal!
