

Options for Viewing the Activity in your Parent Portal

Last Modified on 11/03/2020 12:30 am EST

Whether you are monitoring enrollments coming in through the Portal or are trying to help one of your parents who is having trouble using their Portal, having the right tools is essential.

Jackrabbit has provided several options to help you monitor Portal activity.

Parent Portal Log

Detailed activity reporting is provided in the **Parent Portal Log** (found in the *Reports* menu).

Several filter options allow you to search for specific actions:

- Logins
- Login Failures
- Enrollments
- Password Resets
- Billing Info Changes
- User Defined Field Changes
