

# Jackrabbit's Referral Credit Program

Last Modified on 11/03/2020 12:31 am EST

Introduce Jackrabbit to friends and earn account credits! Refer a friend and get a \$50 credit for every referral.

## How does Jackrabbit's Referral Credit work?

It's really simple. In fact, there are only two things to remember:

1. **Share with other owners**- Share how much you love Jackrabbit with other facility owners and let them know how much difference it will make in their businesses. You can do this in person at conferences, shows or industry events, or just over a cup of coffee.
2. **Get identified** - As long as your referral puts your business name in the "How did you hear about Jackrabbit?" field on their Buy Now form, our Billing Department will apply a **\$50 credit to your account**.

## More Great Reasons to Participate

- ★ You can play a part in helping other facilities become better businesses.
  - ★ More growth for Jackrabbit means a stronger software partner for you.
  - ★ More ideas from more people mean more enhancements and new features for the software.
  - ★ Broaden your network of fellow users that can share good ideas with you. If you haven't joined our Users Group on Facebook, join [here](#).
