1. Point to **Tools** and click **Edit Email Templates**.
2. Locate the **Name** of the template you want to delete.
3. Click the **Garbage Can** icon to the left of the template Name.
4. When asked, *Are you sure you wish to delete this item?*, click **OK**.
5. The template has been deleted and is no longer available on the *List Templates* page.

*If you delete a Jackrabbit professionally designed template and realize that you did so in error, contact Support (click the ?Help button in your database), so Support can add it back to your database.*
