

Email Attachments and Images - An Overview

Last Modified on 11/03/2020 12:33 am EST

[Watch a \(2:03\) video tutorial on Uploading and Attaching Email Documents](#)

Emails are an important part of your business. Inserting images and attaching files to emails sent through your Jackrabbit database is made easy with ***Jackrabbit files***.

Jackrabbit provides every customer with 1 GB of storage space in our cloud framework, free of charge! Store images, documents, music files and more here as a ***Jackrabbit file*** to quickly insert or attach them to the emails you send from Jackrabbit.

You may also wish to utilize an existing Dropbox account, Jackrabbit has built a tool to make this process easy for you.

The ability to upload or delete a Jackrabbit File is controlled by two User ID permissions in the Tools section: Upload a File and Delete a File.
