Newly created Jackrabbit reports are featured under the *New Reports* option in the *Reports* menu.

The screenshot shows the Jackrabbit Reports page. On the left is a sidebar with the Jackrabbit logo and a "Return" button. Below it is a "Click an item below" section with a list of menu items: "Find a Report" (with a magnifying glass icon), "Favorite Reports", "New Reports" (highlighted in blue), and "All Reports". The main content area is titled "Reports" and has "Help" and "Send Idea" buttons. Under the "New Reports" heading, there are two report links: "Class Revenue Summary" (with a red heart icon) and "Terminal ePayment Exception Report" (with a heart icon). A yellow callout bubble points to the red heart icon, stating "This report has been marked as a Favorite". A mouse cursor is hovering over the "Terminal ePayment Exception Report" link, which has triggered a tooltip that reads: "Terminal ePayments made within the last 7 days that have not been applied to a Family/Account." Another yellow callout bubble points to the tooltip, stating: "Hover over a report name to see a short description of the report".
