Family Address Listing Report

Last Modified on 11/03/2020 12:33 am EST

The **Family Address Listing** report provides you with a list of your families based on filters <u>\$earch</u> Criteria) you select.

You can find this report in the *Reports* menu. Go to **Reports** > **Families** / **Students** > **Families** > **Family** Address Listing.

- ★ Customize a family report with 16 optional filters including: Source, Contact Birth Month, and Neighborhood.
- * Send an email to all, or only some, of the families directly from the report results.

If you use this report frequently, make it a **Favorite Report** for quick and easy access!

Business Scenario

You would like to send a Happy Birthday email to contacts in your active families who have a birthday in the month of November.

To create this report use these two search filters:

- Status = Active
- Contact Birth Month from **Nov** through **Nov**

The report results will include all contacts with a birthdayin November. Use the Email button in the report results to create your birthday message.

Search Criteria

You can filter your list of families using any or all of the available Search Criteria and Jackrabbit will compile a report of families who meet ALL of the criteria chosen.
