

Export Recital Program to Word

Last Modified on 11/03/2020 12:33 am EST

The *Export Program to Word* button is used to create recital programs. A Word document is downloaded which lists the performances and the students participating in each.

The format is easy to edit allowing you to customize your program with additional information &/or images if you like.

Click **Refresh Rosters** PRIOR to exporting the program to ensure that the information is up to date.
