06/25/20	Families Menu: Families > Search Removed	<p>All your family data is in one place in the <i>Families (menu) &gt; All Families</i>. There is no longer a need for <i>Families (menu) &gt; Search</i>, so we have removed it from the menu to simplify the list.</p> <ul style="list-style-type: none"><li>Go to <i>Families &gt; All Families</i> to sort, filter, and view all your families in one grid. Refer to <a href="#">Improvements to Searching Families</a> for a quick comparison of <i>All Families</i> to Classic Search.</li><li>Migrate your <i>Favorites</i> to use with <i>All Families</i>. If you were using <i>Favorites</i> the old way, you will need to go through a one-time process to migrate your <i>Favorites</i> over to <i>All Families</i>. See <a href="#">Recreate Your Search Favorites in All Families</a> for easy to follow instructions.</li></ul>
06/25/20	Web Registration Forms: Collapse/Expand Added to Policies & Agreements	<p>Less scrolling during online registration for classes and events! The Required Policies and Agreements sections in both the Web Registration and Online Events Registration forms have been updated to a collapse/expand format. The user just clicks + to expand the policy to review.</p> <p>This takes up less space on the form and means less time scrolling through the Policy Agreements</p> <p><a href="#">Sample View - Web Registration Form</a></p>
06/18/20	Parent Portal: Added Settings for Absences & Makeups	<p>New controls have been added to the <i>Parent Portal Absence &amp; Makeup Settings</i> to allow you to select the following:</p> <ul style="list-style-type: none"><li>Limit the number of absences a parent can see in the Parent Portal.</li><li>Only allow makeups to be scheduled in classes with at least one student enrolled.</li><li>Create a scheduling window for makeup classes. You select the number of days out a parent can schedule a makeup class.</li></ul> <p>Refer to <a href="#">Parent Portal Absence &amp; Makeup Settings</a> for more information.</p>
06/18/20	Online Web Registration Form: Class Instructions Updated	<p>Now you can enhance <i>Class Instructions</i> information in your Online Web Registration Form with the use of color fonts, rich text formatting, and styling (HTML supported).</p> <p>Refer to <a href="#">Online Web Registration Settings - General Settings</a> for more details.</p>
