

Barcode Scanners - What You'll Need

Last Modified on 11/03/2020 12:35 am EST

1. **A Barcode Scanner** (not provided by Jackrabbit). Look for a universal USB bar code scanner. [The Barcode Factory](#) has been in the barcode business for a number of years and provides all equipment and supplies for barcode scanning. Contact The Barcode Factory at 888-237-8525 or www.barcodefactory.com.
 2. **Barcode Labels** - Barcode Labels can be printed to Avery 5160 Labels. Jackrabbit provides PDF templates for [Student ID #'s 100-999 \(pdf\)](#) and [Student ID #'s 1000 - 5000](#). If your organization needs customized numbers, Jackrabbit may be able to assist you. Please click the **Help Button** in your database to check with our Support Team.
 3. **You must be set to track attendance**(not absences) in order to use Jackrabbit's barcode scanner functionality. If you are not set to track attendance, please reference [Track Absences or Attendance](#) and contact Support to make this change for your organization.
