Archive Dashboard Alert

Last Modified on 11/03/2020 12:35 am EST

The *Dashboard* alert *Classes Past End Date To Archive* displays active classes which have a class end date before the current date (Note: The user must have the *Dashboard-Alerts* permission). Click this link to display a list of classes available for archive. An *Archive Classes* button will appear if the user has the *Archive (Terminate) Classes* user permission.
